

ARIZONA EDVENTURES

Name: _____ Date: _____

Arizona Acrostic

An acrostic is a type of poem in which the first letters of each line (from top to bottom) spell a word. Create an acrostic about Arizona. Each line should be a word or phrase that begins with a letter of the state's name.

A large outline map of the state of Arizona is shown on the left side of the page. To the right of the map, the word "ARIZONA" is written vertically in large, bold, black capital letters. Each letter is followed by a horizontal line for writing a word or phrase that starts with that letter.
